Foreword

Hello there,

Let us introduce ourselves, We're the staff of the 1951-1952 Mirror. We are going to be your faithful companions throughout your journey through the pages of this book. We Will share with you your disappointments, your accomplishments, and your laughter throughout this past school year.

This eventful year has been one we shall never forget, but when memories become a vague whisper, we shall turn these pages with a wistful smile and reminisce together.

Days of fair and stormy wea-ther, Thou hast glad-dened all.
Still thy name in fond af-fec-tion, Ev-er-more we sing.

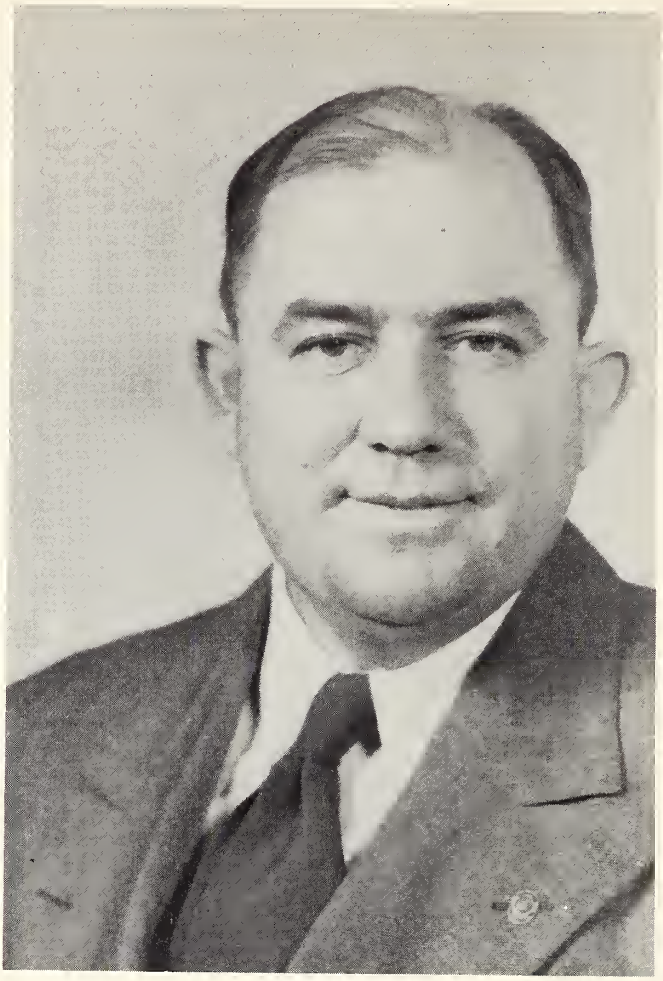
President's Message



I wish to congratulate the Annual Staff for a job well done. The production of this yearbook shows many hours of hard work by loyal members of the faculty and student body. Your arrangement of the different phases of the Mirror gives a pictorial story of the many educational activities of our school presented in a most efficient and orderly manner.

PHILIP A. SHEFFIELD
President

Dean's Message

As the industrial and agricultural resources of this territory are being developed at a rapid rate, the faculty, teachers, and pupils of Itawamba Junior College are in the business of developing our richest resource of the region..... the people. The contributions that the industrial, agricultural, and personal resources make are all important in the development of each. We must strive for the improvement of all, if our region is to take a topmost place among the leaders in the nation, a goal which we all expect to attain.

In Memoriam

We pause in loving tribute to Faye
Our friend, whom we miss so much each day.
All the things for which she stood,
Her life that did the world about her good.
Her cheerfulness and gaiety, her friendliness and loyalty
Are tender ties we never shall forget.
Though her smiling face we never more shall see,
We feel her radiant spirit with us yet.

Her kindness to others and her merry voice
Brought the world about her joy.
Our memories of her are a gift of God
That death cannot destroy.

Principal's Message

We in the High School Division of Itawamba Jr. College believe in placing the emphasis upon the individual student. We recognize the following assumptions as basis in dealing with students. First because people differ and situations differ, we see the importance of individual differences in a total school program. Second, we need to respect the individual student as a person. In a democracy there are no unimportant persons. Then lastly emphasis should be placed upon the growth of the whole person.

Sincerely,

R. L. Woods

Itawamba High School Alma Mater

Our hearts in the conflict are grateful to thee,
Our dear Alma Mater, thy glory shall be
Our pride and ambition, our courage for right,
We'll ever be guided by thy shining light.

CHORUS

And so for thy honor and glory dear high school,
In earnest devotion we now raise our song,
Thy standard before us, the virtue of thy rule,
We pledge to thee our loyalty thy whole life long.

Thy purpose so noble, thy mission to fill
We strive to accomplish with mightiest will:
We grant thee our courage, the note of our strain
To thee, Itawamba, our sweetest refrain.

THE STUDENT COUNCIL

In 1949 the Student Council came into being at Itawamba County High School as result of a felt need on the part of the student body and faculty. At present the council holds membership in the State and National Association of Student Councils. This council represents the voice of the student in school activities. Elected representatives from each class compose the student council. Its chief purpose is to promote good citizenship and school spirit. The faculty and students have confidence in the good will and sound judgments of the boys and girls who constitute it, and believe that we have a well born organization capable of healthy growth.
